British Red Cross

If you have recently been granted refugee status or other protection-based Leave to Remain, we can help with benefit and integration loan applications, applying for or finding housing, opening bank accounts, and other needs.

If you are destitute after being refused asylum or immediately after being granted Leave to Remain, we can provide some financial support. If you are a ASR woman and feel helpless we can also help you.

We can try to trace your family if you have lost contact. If you have a ‘Family Reunion’ visa for a member of your family, we may be able to organise and pay for travel to the UK. We can help you plan for your family’s arrival and help with benefits and housing applications.
