STAFF AND TRUSTEES EXPENSES POLICY AND PROCEDURES

THE POLICY

1. PURPOSE

1.1 This document defines for staff and Trustees the expenses that can be incurred and reclaimed in the ordinary course of the business of the charity. It aims to ensure that funds are used effectively to achieve the objectives of the organisation.

2. GENERAL PRINCIPLES

2.1 Costs incurred must be wholly exclusively and necessarily incurred in the course of BRR business.

2.2 With the exception of mileage rates, only the actual BRR business cost incurred can be reimbursed e.g. a flat rate to cover expenses cannot be paid.

2.3 No preferential treatment is given to trustees, managers, directors, staff or any other individuals - all have equal entitlement to claim expenses and at the same rates.

2.4 Individuals should be encouraged to reclaim valid expenses incurred on BRR business. An individual is able, if they wish, to donate the value of the expense claim back to BRR and Gift Aid could then be claimed on this donation (providing they are a UK tax payer). To enable BRR to reclaim gift aid the donor will need to pay the expense payment back to BRR.

2.5 Individuals should ensure that any costs incurred are kept to a minimum by considering the following:

- Is the business journey necessary?
- Do I really need to spend the money?
- Is there a less expensive alternative?
- Would I spend this if it were my money?
- Is the expense budgeted for?

-How will a spending this money benefit the company?

3. ROLES AND RESPONSIBILITIES

3.1 Each individual is responsible for ensuring that they keep records of expenses incurred and claim them via the Finance Officer.

3.2 Expenses claims must be authorised by the Line Manager/another member of the Strategic Management Team in the case of staff or by the Treasurer in the case of Trustees.

3.3 The Finance Officer is responsible for paying expenses and maintaining records of expenses paid.

4. RELEVANT LEGISLATION AND POLICIES

4.1 This Policy complements, and should be considered along with other BRR Policies:

- Volunteer Policy
- Financial Procedures

5. SCOPE

5.1 This policy includes:

- Expenses incurred by an individual and claimed via an expense claim form
- Expenses incurred by an individual and paid for by BRR directly.
- Expenses incurred by an individual using a BRR debit card.

5.2 The Policy applies to all expenses incurred by staff and Trustees. Volunteer expenses are dealt with in the Volunteer policy.

THE PROCEDURES

6. Authorisation

6.1 Claims for travel and other expenses must be authorised by the line

manager (for staff) or the Treasurer (for Board members).

6.2 Claims will only be authorised where the expense was clearly incurred in the course of BRR work. If in any doubt staff/Trustees should seek authorisation first to ensure they will be reimbursed.

6.3 All claims should be made on the correct form and, with the exception of mileage allowance, should have bills, receipts or a signed voucher to support them.

6.4 There may be occasions when the line manager/Treasurer may require further information in support of a claim. This will be to ensure that BRR funds are used appropriately and effectively.

6.5 The authorisers' responsibility - The authoriser must ensure that:

- Approval of the claimants' expenditure is within his/her authority.
- The expenses is valid, a reasonable charge to the company and complies with the policy document.
- The description of every item is clear and adequate. Any travel and subsistence allowance claim must include details of the purpose of the visit and the name of the organisation and people visited.
- The claim form is totalled correctly.
- The expenditure was wholly, exclusively and necessarily occurred in the performance of the duties of employment or the business of the charity.

7. Payment

7.1 All claims for reimbursement of authorised expenses must be made within three months of the expenditure being incurred.

7.2 Claims should be submitted to the Finance Officer by the last date of the month for the reimbursement in the following month's payroll.

7.3 Pre-payment of expenses can be made by special arrangement with the Director.

8. Travel Expenses

- 8.1** The most cost effective mode of transport should be used when travelling on BRR business. The purpose of travel should be clearly stated on the claim for reimbursement. The reclaimable amount is any extra cost incurred above the normal home to place of work cost.
- 8.2** Where public transport is not practical, employees may use their own vehicle for the performance of their duties and will be paid a mileage rate for their journey (Approved Mileage Allowance Payments). Car parking fees will be paid but fines will not be reimbursed.
- 8.3** See Appendix A for guidance on claiming travel costs for journeys that start or end at home.
- 8.4** If a car or taxi journey is unavoidable always consider if sharing is possible. If using a personal vehicle to carry official passengers a passenger supplement for each passenger may be claimed (see schedule of rates – Appendix B).
- 8.5** It is the sole responsibility of the staff member to ensure that their vehicle is fully insured for business use and the vehicle has a valid MOT certificate and current road fund licence. BRR will not be liable for any third party claims for any accidents incurred whilst on BRR business.
- 8.6** As a general rule, taxi should not be used. Claims for taxi fares will only be met where there is no other suitable method of transport and the claim has been agreed in advance with the manager.
- 8.7** Consideration will be given to the special needs of people with disabilities or health problems such that they require assistance, special travel and/or accommodation arrangements. These should be discussed with the line manager/Treasurer, as appropriate, prior to incurring additional expenditure.

11. Childcare/Dependants Care Fees

11.1 Consideration will be given to meeting the cost of childcare or dependant care fees where you are required to meet commitments outside normal working hours. You should discuss your needs with line manager/the Director prior to incurring expenses.

11.2 All claims must be accompanied by a receipt from the carer and the claim relates only to essential additional out of pocket expenses.

12. Carers

12.1 Where staff/Trustees with a disability require the services of a carer for help with travel to and from meetings and other business, full consideration will be given to meeting the cost of the carer's travel expenses. Individuals should discuss their needs with the line manager/the Director prior to incurring the expenses.

13. Hospitality

Date for Review/Who to Review: This policy will be reviewed three yearly by the Finance and Staffing Sub-Committee.

Appendix A – Travel from home

Travelling costs for journeys to out-of-office appointments which start or end at home can only be reimbursed if the journey qualifies according to HMRC guidelines (see HMRC factsheet 490: employee travel <http://www.hmrc.gov.uk/helpsheets/490.htm>). These guidelines exclude journeys which do not make the total journey significantly longer than a normal commuting journey. A significantly longer journey which would be eligible for reimbursement would, typically, be one which, when taken by a reasonable route, adds more than ten miles to the normal commuting journey. Such journeys can then be reimbursed at the approved HMRC mileage rate (see schedule of rates).

It is up to the discretion of the manager if it is appropriate to start or end the journey from home or work, if unsure please check with them before making the journey.
