

Bristol Refugee and Asylum Seeker Partnership (BRASP)

Our vision is that all refugees and asylum seekers enjoy healthy and fulfilling lives in Bristol, have a voice and their needs are met by an effective, unified and sustainable sector.

Values: Lived experience-led; empowerment; inclusive; solidarity.

Partnership development plan overseen by Interim Steering Group of 16 organisations.

1. Initial Partnership Development (2019 – Sept 2020)
2. Building the Collaboration (Oct 2020 – Dec 2021)
3. Strengthening the Collaboration (Jan 2022 – Dec 2022)

Strategic priorities

1. **Operational Collaboration** – working together to provide the best services.
2. **Infrastructure/governance** – working together to more effectively achieve better outcomes.
3. **Strategic voice and influence** – asylum seekers, refugees and migrant voices will be heard.
4. **Funding** – services will be sustainable, effective and efficient.
